Dear Sir or Ma'am:

I have had the pleasure of working with Jerry Evans at ITT Technical Institute since April 2004. Over the past two and a half years, he has consistently proven to me that he is a true team player who goes the extra mile.

As an instructor, Jerry demonstrates tremendous flexibility and an adept ability to work with diverse groups and individuals. He provides guidance and counsel when needed ~proving that he is an invaluable instructor who truly cares about his students. Jerry consistently focuses his attention on details that improve our curriculum, making our graduates more employable and better able to meet the needs of companies throughout Michigan. He pushes his students to excel, which has helped my department push our employment statistics to 81% over the past year.

Jerry is an extremely dedicated, capable and motivated employee who always keeps our organizational mission foremost in his mind. This attitude has made him stand out amongst a crowd of highly talented professionals and I believe he will make an immediate and positive contribution to any company lucky enough to hire him. I recommend him without hesitation.

Sincerely,
